

TRANSFER OPTIONS

The Soneva experience begins when you arrive at Malé International Airport. You will be greeted by a Soneva Representative after you have collected your luggage and pass through the exit doors, who will be holding a wooden sign saying “Soneva”.

Our representative will escort you to the Soneva lounge, just a five minute car ride away in one of our new electric Tesla vehicles.

Please ensure your international flight lands in Malé no later than 15:30 for your seaplane connection. If you have a later flight, we have an alternative domestic transfer option.

Soneva Seaplane*

The DHC-6 Twin Otter is painted with Soneva’s striking livery in a rich purple, with a bespoke and luxurious Soneva chrome and purple soft leather interior. Soneva’s Twin Otter has nine VIP seats. Soneva’s flight service is operated by Trans Maldivian Airways (TMA).

The seaplanes only operate between sunrise and sunset, and the schedules are set by Trans Maldivian Airways. The exact time of the flight is confirmed by TMA one day prior to departure.

Trans Maldivian Airways Seaplane*

The Twin Otter is a twin-engine turbine powered aircraft, operated by Trans Maldivian Airways (TMA).

The seaplanes only operate between sunrise and sunset, and the schedules are set by Trans Maldivian Airways. The exact time of the flight is confirmed by TMA one day prior to departure.

These seaplanes seat 14, while TMA’s two VIP luxury aircraft seat eight and ten.

** Please note that if a guest’s luggage is over the permissible capacity of 25kg then it will be sent on the next available flight. It is recommended that guests use the bathroom prior to departure as no bathroom facilities are available onboard.*

Private Charters

Fly in style with a private charter on Soneva's own seaplane or a TMA seaplane.

The CIP service is a service offered by the Maldives Airport at a charge of USD 280 net per passenger. The service includes being met at the stairs of the aircraft and escorted through immigration to the lounge to wait for your onward transfer.

The passport details of all the passengers are required at least 72 hours prior to the arrival date to arrange the CIP service.

*CIP service cannot be arranged for the following airlines on departure due to the airline's rules and regulations: Lufthansa (LH), British Airways (BA), Swiss Air (LX), Austrian Air (OS), Condor (DE), and Cathay Pacific (CX).
